Bhagwan Singh vs Municipality, Badi & ors

30.7.2007

Hon'ble Mr Justice Ashok Parihar

Mr JR Chaudhary - for the petitioner

Mr SL Kumawat for Mr VD Gathala -for the respondents

BY THE COURT:

Petitioner has challenged the order dated 18.12.1999, by which, while issuing directions to the petitioner to remove encroachment from the government land the directions for issuing him charge sheet have also been issued. Petitioner has also been put under suspension pending enquiry. Learned counsel for the respondents submits that the trial court has already decided the matter so far as encroachment is concerned.

This court, while issuing notices, had stayed the operation of the impugned order dated 18.12.1999 vide order dated 17.1.2000. More than 7 years have lapsed. Though, no further interference is called for by this court, however, the respondents are now granted liberty to pass fresh orders if the circumstances so arise. With the above liberty to the respondents, the writ petition is disposed of accordingly.
